REPORT OF THE SUPERINTENDENT AND DIRECTORS

January 25, 1946

To the Citizens of Rutland Town,

This annual report comes within the year that marks the close of World War II. School affairs, much like those of all civic groups, have been interrupted from normal progress during the five years of the war period. It is likely that as economic conditions level off we may resume a program of adjustments to those matters now most urgently needing attention.

Tabulations

From the statistical information accompanying this report it may be noted that the cost per pupil increased over the past year. Even though there is one less teacher during the current year, salaries represent the chief item of increase; with high school tuition a close second. State aid per equated pupil offsets these, in computing net costs, by showing an increase of \$2,145.00.

The table of enrollments shows an increase in pupils from 145 to 162. The enrollment at Dyer was down to 20 last year and so only one room was reopened in the fall. At present the number has increased to 29, with a growing need for using both rooms another year.

School Activities

Center Rutland—The Parent Teachers' Association has assisted in various school events. Hot lunches are being served each noon; six health check-ups were sponsored; and the annual community Christmas program and operetta put on. Teachers, with local youth leaders, are conducting lively 4-H Clubs for both boys and girls. There is also a Boy Scout troop. The pupils have participated in the annual art exhibitions at the Fleming Museum, and those in grades 7-8 competed in a local speaking contest. The school patrol has continued to fulfill its important task of protecting the children against traffic hazards. Sale of war stamps; collection of salvage paper, tin cans, and fats; collection of used clothing and a shipment of 175 cans of food to UNRA; have totalled a generous share the school has done by way of supporting the various drives.

Dyer School—A special booth representing the Dyer PTA's entree at Rutland Fair won a prize of \$20.00. Hot lunches and milk are being furnished through food sales or similar means. Seed sales netted a substantial sum for the school. Victory gardens were a school project during the spring and summer. An effort to build up library use of reading material resulted in a circulation of 274 books from the Rutland Free Library. All but one child needing eye corrections have had corrective treatment. One third of the children have had needed dental work completed. The pupils sent art work to the Fleming Museum exhibition last May. Parents and guests have attended the valentine party, May Day program, a special debate, the community picnic, a Hallowe'en party, and Christmas exercises. The pupils have had a share in all the war drives; \$262.40 worth of stamps sold, a quantity of salvage paper gathered, used clothing collected, and canned foods sent to the UNRA. The teacher has completed special summer school certification and received a Red Cross certificate in the standard nutrition course.

Post School—The Parent Teachers' Association, with a membership of 41, has continued sponsorship of a dental clinic among other activities. Dental work was made available to all the pupils and a summer check-up of all beginners was carried out. The children took part in a joint program for Christmas, at the Mill Village Chapel. Local 4-H Clubs are active for both boys and girls. War stamp sales amounted to \$150.00; 32 cans of food were contributed to UNRA; the usual salvage paper and used clothing drives were carried on.

Haiti School—Card parties and suppers have been sponsored by the Community Club. Proceeds have been used to grade the playground, build a cement walk, erect a flagpole, and to enlarge the school kitchen. Motion pictures and a musical entertainment were put on for the children by the Club. It also donated twenty-five dollars to the school library. A boys' 4-H Club offers much to the several boys belonging. They have had two entertainments at the schoolhouse during the year. The children have gathered salvage paper, used clothing, 56 cans of food for UNRA, and sold war stamps to the amount of \$185.00.

Mill Village—Continued activities of the Parent Teachers' Association have resulted in a large sum in the treasury in anticipation of future improvements to the school. A well-attended turkey supper was sponsored on December 20th. The association is purchasing an electric victrola for the school. The children joined with Cheney Hill and Post schools in putting on a

Christmas operetta at the chapel. A school library was started on January 9th, for wider circulation of reading material among both children and adults. A total of 50 cans of food were collected for UNRA, and the pupils have had a share in the other war drives.

Cheney Hill—Objectives of the PTA have centered on child welfare during the current year. It is planned to add further equipment for the community room at the school. Seven children have received dental work and the one pupil needing eye corrections has had treatment. The teacher is serving as leader of the Girls' 4-H Club. There is also a Boys' 4-H Club serving the area. War stamp sales have amounted to \$250.00. One-half ton of salvage paper was collected, 125 pounds of used clothing gathered, 30 cans of food turned in during the UNRA drive.

A Charter of Education for Rural Children

Now that the war is over and a period of readjustment in all lines is approached, education is likely to be faced with its share of re-evaluation from various sources.

The First Whitehouse Conference on Rural Education presents the following as the educational rights of every rural child and pledges itself to work for their achievement, "Every rural child has the right to":

- I. A satisfactory, modern elementary education.
- II. A satisfactory, modern secondary education.
- III. An educational program that bridges the gap between home and school, and between school and adult life.
- IV. Health services, educational and vocational guidance, library facilities, recreational activities, and, where needed, school lunches and pupil transportation facilities at public expense.
- V. Teachers, supervisors, and administrators who know rural life and who are educated to deal effectively with the problems peculiar to rural schools.
- VI. Educational service and guidance during the entire year and full-time attendance in a school that is open for not less than nine months in each year for at least twelve years.
- VII. Attend school in a satisfactory, modern building.
- VIII. Through the school, participate in community life and culture.

IX. A local school system sufficiently strong to provide all the services required for modern education.

X. Have the tax resources of his community, state, and nation used to guarantee him an American standard of educational opportunity.

Maintenance

Your school directors have had unusual demands to meet by way of solving the fuel problems and adjustments to the plumbing at the various buildings. The right type of fuel for particular furnaces has not always been available. Some of the plumbing problems cannot be solved without more extensive plans to correct sewage disposal.

Some outside and inside painting has been done. The Haiti playground improvement was shared by the school department.

A start on the landscaping at Cheney Hill has been made.

Report of the Supervisor of Music

Mr. Frank O. Stiles
Superintendent of Schools
Fair Haven, Vermont

My dear Mr. Stiles:

I herewith submit my annual report as Supervisor of Music in the public schools of the Town of Rutland.

As in previous years, the music has been carried out according to the course of study suggested by the State Department of Education. This includes work in rhythm, note reading, dynamics, music history, music appreciation, interpretation, etc.

The grades at the Center Rutland School, beginning with the fourth grade, carried out quite an extensive course in music appreciation. They studied the more simple of the operas, reading the story, discussing the characters and then listening to the records. They are now singing songs of the different countries, and have found especially interesting the melodies and rhythms of the songs of Latin-America.

Another feature at Center Rutland is the Girls' Glee Club. This is composed of carefully selected voices from 5th, 6th, 7th and 8th grades. This ensemble furnished the music at the combined graduation exercises in June and gave a program of Christmas carols at the Christmas entertainment. An operetta, "The

Christmas Gift," was also presented, all children taking part. The school has a new recorder, of which the pupils are justly proud and which is a great asset to the appreciation classes.

The rural schools are continuing their work of songs, rhythm band, folk dancing, etc. This year, owing to the fact that there is only one room at Dyer school, I am able to visit each rural school every week, instead of visiting two every other week.

Haiti, Post, Cheney Hill and Mill Village schools, combined this year for their Christmas program, which was given in the Chapel at Mill Village. The first part of the program consisted of songs, recitations and exercises, and the second the operetta "The Christmas Gift," in which all pupils took part.

The Dyer school presented the same operetta at their school, the first part of the program consisting of songs, recitations and a play.

This is the first year that the rural school has given operettas and I hope that each year will see them doing more and more of this type of work.

I wish to express my appreciation and thanks to the rural school teachers, who in spite of their large classes, consisting of all grades, and their full schedules, managed to find time for music every day.

I wish at this time to thank all others who have helped and cooperated in the music work.

Respectfully submitted,

ALICE H. NICHOLS,

Supervisor of Music.

Future Projects

With the time not too far away when building projects may be resumed it is necessary to plan the improvements to the Post and Mill Village buildings. One meeting with the directors and superintendent has already been held when groups from both communities came to talk over initial matters. It was suggested that committees might work out some definite proposals. Final work will depend upon whether the Post and Mill Village communities will accept one building for both sections, or whether separate buildings, as now, will be the final decision.

Several occasions during the year have emphasized the need of some form of nursing service to supplement the health officer's duties in diagnosing health conditions among the school children.

When community nurses once more become available Rutland Town might well seek the services of one either on a share basis, or a part-time plan. Such nursing service would result in follow-up work and a higher per cent of corrective measures.

Just as the welfare of the teachers may influence the quality of educational results, the adoption of a new salary schedule may work out to advantage in granting them the needed security commensurate with that in competitive situations. The salaries at present compare favorably with those elsewhere.

We express appreciation for the work of our teachers, and respective groups and individuals, in the interests of our schools.

Respectfully submitted,

ARTHUR W. HALWEY,

MRS. DAVID DICKINSON,

MRS. CHARLES RUANE,

School Directors.

FRANK O. STILES,

Superintendent.

Robert Steel final payment on aid given in 1942 \$8.52

Respectfully submitted,

HARLEY J. BLAKEY,
SHERWIN L. WILLIAMS,
R. C. BUCK,

Overseers of Poor.

OLD AGE ASSISTANCE DEPARTMENT

120 STATE STREET

MONTPELIER, VERMONT

For the information of your taxpayers the customary annual statement is presented for your town report.

Payments of Old Age Assistance to persons applying from your Town amounted to \$4,157.50 during the year January 1, 1945 to December 31, 1945.

The number of Recipients in December, 1945 was 15.

The resources of this department and its ability to make payments are determined by the state appropriation which is matched by federal funds. During recent months it has not been possible to grant assistance or to increase all who were found eligible after investigation. The cost of living has increased so much that about every case needs to be increased that is not now getting the maximum. The cooperation of Overseers in extending temporary aid and supplementary medical services has been very helpful.

The administrative expenses of this department have risen slightly during the biennial period but the administrative review of the Social Security Board emphasizes that the total administrative cost per case per month is among the lowest in the country.

The advice and counsel of local officials and interested people are gratefully acknowledged by this department and its field staff.

Very sincerely yours,

W. L. SEWARD,
Director.

HEALTH OFFICER'S REPORT

During the past year the following communicable diseases were reported:

German Measles	20
Mumps	9
Polio	1

Respectfully submitted,
DONALD V. RUSSELL,
Health Officer.

ROAD COMMISSIONER'S REPORT

1945

Calcium Chloride was applied to Grove Street, Billings Road, Cold River Road, West Proctor and Dyer Roads.

The State Aid Fund and Resurfacing Fund were spent on the Selected Highways.

WARNING

The legal voters of the Town of Rutland and the Town of Rutland School District are hereby warned to meet at the Town Hall in Center Rutland on Tuesday, March 5, 1946 at 10 o'clock A.M., Standard Time, to act on the following matters, namely:

1. To see if the Town will empower and authorize the Selectmen to appoint one or two Road Commissioners.
2. To choose all necessary officers required by law.
3. Shall the Town vote to have the Selectmen act as Overseers of the Poor?
4. To see if the Town will vote to raise money by tax, or otherwise, to pay current expenses of the Town, Overseer of Poor, School, Highway, County and Fire Protection Taxes. If by tax, how much?
5. To see to whom and when the several taxes shall be due and payable.
6. To see if the Town will appropriate two hundred dollars to secure the use of the Rutland Free Library to inhabitants of the Town.
7. To see if license for the sale of malt and vinous beverages shall be granted in this Town.
8. To see if spirituous liquors shall be sold in this Town.
9. To see if the Town will authorize the Selectmen to borrow money for the temporary use of the Town.
10. To see if the Town wishes to take advantage of the extra \$25.00 per mile granted to Towns, by the State provided the Towns spend \$25.00 per mile of their own money on Town Roads, outside of winter maintenance. This applies to No. 101 of the Acts of 1937.
11. The question of Town Officers' salaries, raising taxes, what provision the Town will make for the higher education of the Scholars of the Town, and any other article unable to be voted on by the Australian Ballot will be taken up at 1:30 P.M. Standard Time by acclamation from the floor as has been our custom in the past.
12. To see if the voters of the Town will appropriate \$200.00 to be used in cooperation with the State and Federal Funds for controlling the spread of White Pine Blister Rust within the Town.
13. To see if the Town will vote to secure the services of the Rutland City Fire Department.
14. Will the Town authorize the Auditors of the Town to employ the services of an accountant, from the office of the Auditor of Accounts provided by No. 55 of the Acts of 1937 to conduct an audit of the accounts of the Town?
15. Shall any manufacturing establishment occupying the building and adjoining premises owned by the Vermont Marble Company, in Center Rutland, Vermont, located between the tracks of the Delaware and Hudson and Rutland Railroads, and to the west of the railroad station, be exempted from taxation for a period of five (5) years, all in accordance with the provisions of Section 594 of the Public Laws of Vermont? This exemption, if voted, shall not include or apply to any real estate, and shall be void if such manufacturing establishment does not commence business on or before June 1, 1946.
16. To transact any other necessary legal and proper business.

The polls close at 3:00 P.M. Standard Time.

Rutland, Vt., January 9, 1946
Grand List \$17,701.93

HARLEY J. BLAKEY,
SHERWIN L. WILLIAMS,
R. C. BUCK,
Selectmen.
